

# HMDA Upload

Complete a *right* click on the Loans tab within CreativeVisions and select **Year End Reporting**.

A Year End Activity Center page will load where you can click on the correlating HMDA reporting year that you wish to run.

## HMDA Reporting

Click to Complete HMDA

2013 - 2017

2017

2018

Verify your entries in the Loan Selection Criteria section, and make note of the directory path selected where you will be creating and saving the HMDA.DAT file.

## Loan Selection Criteria

Select Path for HMDA.DAT	C:\HMDA\
Inventories to Include	BLR10 Bank of Brenda,
Beginning Date Range	03/31/18
Ending Date Range	04/15/18
Account Identifier for Detail	Account ID
Refinance Reporting Date	Closing Date

With the proper loan criteria selected, click **Upload**.

Upload

A report will launch to gather data within the selected time frame. Depending on the number of loans, it could take a while for the system to gather all data. Once complete, you can click **To create HMDA.DAT, press here**.

To create HMDA.txt, press here.

C:\HMDA\

Notice the directory path you specified in the Loan Selection Criteria will be displayed again for your reference.

Refer to the Consumer Finance Protection Bureau (CFPB) and/or FFIEC for information on submitting your HMDA reports. Per the CFPB 2017 letter "The HMDA data entry software (DES) currently provided by the FFIEC will no longer be available as a method of data entry or submission for HMDA data. Additional information is available at <http://www.consumerfinance.gov/data-research/hmda/des-update-2017>."
